

# St. Jude PLAY ► LIVE®

St. Jude Children's Research Hospital® is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. By freely sharing discoveries, every child saved at St. Jude means doctors and scientists worldwide can use that knowledge to save thousands more children.

Families never receive a bill from St. Jude for treatment, travel, housing or food—because all a family should worry about is helping their child live. Our purpose is clear: *Finding cures. Saving children.*®
